

*Now, more than ever, the world needs the sound of hope, truth and life.  
To prepare for this clarion call - God first needs our hearts, our hands....our all!!  
This is an invitation to worshippers, artists and creative ministers to give God a year.  
Watch Him form something exceptional in you, in 2021!*

*Ps Michael Battersby  
Director - King's Worship Academy*
