

Achievement Tiers

The point allocation needed to receive each tier is listed below.

Honours Program

The King's Honours Program aims to build a desire to achieve greater levels of participation and success throughout the student's time at the College encouraging both individual accolades and House spirit. It serves as a means of acknowledging and celebrating a student's notable engagement, accomplishments, and dedication within the Secondary School context. It encompasses a range of achievement levels accessible to secondary students across diverse categories.

	Bronze 100 POINTS	Silver 200 POINTS	Gold 300 POINTS
Academic			
Arts			
Sport			
Citizenship			

The King's Honours Award
Gold Award across all four categories

Categories and Tiers

The categories through which individuals can qualify for Awards include Academic, Arts, Sport, and Citizenship. Within each of these categories, students accrue points that contribute to their recognition at varying tiers: Bronze, Silver, Gold, and The King's Honours Award. When you reach a tier in a category, you will be awarded a badge for that tier and category at the next Honours Award Assembly. The assemblies are held twice a year and carried out in Term 1 and Term 3. The pinnacle of this recognition system is The King's Honours Award, exclusively attainable by students who achieve Gold Award status across all four categories.

Accruing Points

Students will accumulate points throughout their time in the Secondary School through a range of various activities within each category. The points will accumulate over a student's time in Secondary School and will also contribute to House points for their House. Student activities performed externally that meet the criteria can also be awarded points through an application process. Points will be awarded for activities in each category. There are examples below of what will accrue points. The amount of points will vary based on the difficulty and frequency of the achievement/performance.

Example Activities

SPORT

- Interschool Champion
- ACC all-star or representative
- Interhouse Champion
